Accident Victim Succumbs

Douglas Raymond Scheuerman, seven year old son of Mr. and Mrs. Robert Scheuerman, passed away in the C.N.P. Hospital Thursday night as the result of injuries received when struck down by a truck here last week. The boy had suffered a fractured skull, broken leg and severe shock.

He is survived by his parents, one sister Dianne and a brother Wayne.

A coroners jury met in Blairmore Thursday night to view the body and release it for burial. D. Plafie identified the body. Doctors Leisemer and Russell giving medical testimony. Following this, the inquest was adjourned till Tuesday.

Comprising the jury were J. Holvik, J. Wilkie, C. Huffman, J. Spiveak, R. Lingard and W. Dutil. Funeral services were conducted from Coleman United Church Sunday with Rev. Moriarty officiating. Burial was in Coleman Union Cemetery.

Married In Calgary

St. Martin's Anglican Church was the scene of a recent July wedding in which Miss Myrtle

Anne Johnston, daughter of Mrs. Kate and the late Mr. R. W. Johnston, of Coleman, became the bride of Mr. Frank Robson Gemmill, of Calgary, son of the late Mr. and Mrs. W. Gemmill of Cartwright, Man.

Rev. R. N. Wright officiated at the afternoon ceremony before a floral decked altar of large pink peonies, carnations and white Stephanotis.

The bride, given in marriage by Mr. L. Hazer, wore a traditional floor length gown of white bridal with portrait neckline and lily point sleeves. Row upon row of ohantilly lace cascaded by bridal satin, draped from her waist to the floor. She wore her mothers wedding veil, which was caught by a bandeau of shirred lace with a cluster of orange blossoms. She carried a crescent shaped bouquet of American Beauty Roses and white Stephanotis. Her jewelry was a triple strand of pearls, the gift of the bridegroom.

The bridesmaid, Miss Laura Johnston, sister of the bride, wore a floor length coral gown of double nylon net over taffeta with a lace bodice ending in scallops below the waist. A lace jacket and matching headress complemented her gown. She carried a crescent shaped bouquet of Talisman

Roses and white Esther Reed Daisies.

Mrs. Johnston, mother of the bride was dressed in blue with white accessories. Her corsage was pink carnations and white Stephanotis.

The best man was Mr. Grant Simpson of Olds, and the ushers were Mr. J. Seaman and Mr. Bill Burnett, of Calgary. Mr. Florentino, former vice-principal of King Edward School, played the wedding music.

Following the ceremony a reception was held in St. Martin's Recreation Hall where the bride's table was centered with a three tier wedding cake decorated with pink roses and flanked on either side with flowers. Rev. R. N. Wright proposed the bridal toast. During the banquet Mr. G. Simpson read a telegram of congratulations and best wishes from Eva, Jean and Jack Gemmill of Brandon, Man. Mrs. R. Cousins and Mrs. H. Dunlop, of Coleman, were the soloist and pianist respectively.

For travelling the bride donned a two tone plaid English feather weight flannel suit of brown and maize. Her corsage was white carnations and Stephanotis.

The honeymoon will be spent in Manitoba and eastern US points. The newlyweds will reside in Calgary.

Priests Honored On Departure From The Pass

COLEMAN — On Saturday, July 10th, the parishioners of Holy Ghost Parish in Coleman gathered in the parish hall to partake of a testimonial and farewell banquet in honour of Very Reverend L. Sullivan, V.F. who, after having served as Parish Priest of Coleman for nearly fifteen years, was appointed to the newly-established parish of Holy Name in Calgary.

The Hall was taxed well beyond capacity for the occasion, and the program was under the chairmanship of Mr. Steve Penny, His Worship, Mr. Aboussafy, Mayor of Coleman, expressed the sincere regret of the community at Dean Sullivan's departure, and paid tribute to him as a very civic-minded citizen as well as a devoted parish priest. Mrs. Anne Vasek, President of the Catholic Women's League made the presentation of a purse on behalf of the entire parish.

Father Anderson, of Blairmore, Father Holland, of Bellevue—and recently appointed Parish Priest of the new parish of St. Pius X in Calgary, and Father Krawsky of Cowley spoke in turn paying sincere tribute to Dean Sullivan for his leadership and kindness to the Priests of the Deanery of Blairmore, and expressing sorrow on the occasion of his departure from this Deanery.

Dean Sullivan, in replying, thanked the parishioners for their fine co-operation over the years, and noted the improvements made in the parish buildings, thanks to their help. He thanked the community of Coleman, for the co-operation always accorded to the parish by the Town Council. Dean Sullivan also paid tribute to the work of the Coleman Credit Union. As a Director of the Credit Union, he had been able, at close range to assess the invaluable

Council Discusses Traffic Bylaw

Coleman Council met in regular session Tuesday night and voted to pay \$15,000 on the School Board requisition and \$5,000 to the hospital. Correspondence was received from the Ladies Aux. Can. Legion stating that they were handling the Cancer Crusade locally. Council voted \$10 towards the fund.

A letter was read from the R. C. M. P. Commissioner acknowledging the notice that Coleman did not require the services of the R.C.M.P. in policing the town.

A test was made of Coleman Water during the heavy runoff stage, the report showing some trace of bacterial contamination. It was decided that another sample be sent now that the water has cleared up.

The fire department report showed that 13 practices had been held with an average attendance of 13 and a report given on the Hose Coupling Competition. Council voted that a letter of thanks be sent the Brigade for the fine show on July 1st.

The police report showed 124

complaints received and attended to and 188 warnings issued. \$523 was taken in fines. Notice was given that T. Collister had been appointed Justice of the Peace.

From the police report discussion centered on prohibiting youngsters setting pins in a bowling alley. It appears that the youngsters old enough to frequent the alleys are reluctant to work for the money that can be paid and still leave the operator a margin of profit. After consideration, council agreed that as the province sets the age limit, council is powerless to find a solution.

Mayor Aboussafy asked that some consideration be given to revising the traffic bylaw permitting those tourists that run afoul of the law to be able to mail fines rather than stay over and appear before a magistrate. All aspects of the problem were considered and the matter turned over to the police committee.

Traffic and safety consumed the balance of the meeting. Councilor Jenkins requesting that crosswalks be painted as soon as

possible for the protection of pedestrians, and the erection of a sign at Belters corner pointing to the town center, as this has proved confusing to the tourist. Other signs ordered to be installed are a 10 mile parking sign between the hours of 9 to 6 at the post-office and a no parking sign in front of the town office.

Dr. Leisemer was appointed the town health officer.

Store Remain Open Part Of Rodeo Day

Mindful of their customers needs, and wanting to co-operate with the annual Coleman Rodeo, Coleman merchants met at the Grand Union hotel last week and worked out a schedule of hours for the gala day.

Stores will open at 8 a.m. rodeo day and remain open until 12 noon. All stores will close from 12 to 5 p.m. and reopen at 5 to 7 p.m.

Rodeo and Car Bingo Saturday August 7

An even dozen attended the Board of Trade meeting Wednesday night to give final assent to the Rodeo and a Car Bingo.

J. R. Hill presided over the meeting and advised the members that the Coleman Sports association had requested to go with the Rodeo association and stage a Car Bingo, the winner to take home a 1954 Pontiac in a Blackout game.

Various problems relating to the Rodeo were discussed and will be dealt with at a later rodeo meeting. Publicity was arranged for the annual event by appointing a committee of J. Owen, F. Aboussafy, R. Lingard and L. Richards as publicity committee. It was decided that outside support is needed to make the show a success.

IS MODERN MEDICINE EXPENSIVE?

In 1927 the cost of a case of pneumonia was \$358.00. Duration of treatment was five weeks loss of earnings for 5 weeks brought the total to nearly \$1,000.00. In 1954 time away from work with lobar pneumonia is LESS than two weeks. If penicillin is used, the cost is \$15.12.

If a broad spectrum antibiotic is used the cost is \$29.68. In 1939 one out of every five cases of lobar pneumonia ended up with the undertaker. Is the total cost cheaper in 1954 than in 1927?

BLAIRMORE—All active mines in the Crow's Nest Pass are continuing to work on a two and three day week while at Fernie three and four days per week, and Michel mines are working

The Blairmore office of the National Employment Service

have placed quite a number of the Coleman miners who were laid off at the International mine. These men have been placed at Casemore mine, Fernie and Michel mines in British Columbia and at other points.

The rehabilitation committee of

the provincial governments has arrangements made with the local office of the National Employment Service to pay transportation costs of the unemployed miners who have been placed or who have secured employment in the four western provinces. Application forms also are available and on hand at the local office to request payment of family transportation and also household effects to the place where employment is secured.

A vocational training program has also been created and extend-

ed to include many trades and professions for the rehabilitation of the miners in other trades than coal mining—the cost to be borne by the federal and provincial government. The educational program will be under the adminis-

tration of the provincial government.

Meanwhile, the local offices of the Unemployment Commission at Blairmore are kept busy paying Unemployment Insurance benefits to the unemployed from Fernie to Pincher Creek.

No Room For Pessimism

The annual Coleman Rodeo is scheduled for three weeks time and if it is to be a success pessimism that is high in town must be put aside.

The matter of a rodeo and car bingo has been under constant discussion for the past few weeks and resulted in at least three meetings last week alone. The decision to hold the annual event is not the decision of one or two men, but the majority vote of the entire Board of Trade. The reason for holding the Rodeo this year was based not on the idea of making money, but to show the outside areas that Coleman is not a ghost town nor liable to become one as seems to be the general opinion outside the Pass.

For this reason alone, each and every person should assist the rodeo and see that the event is the biggest in Coleman's history. Suggestive criticism and assistance is needed — pessimism is not.

How About You?

Three weeks ago statements were mailed to delinquent subscribers asking that they renew their subscriptions. Effective this week all subscriptions overdue will be cancelled.

This decision was reached as the result of two reasons. First, it is contrary to regulations to carry subscribers for any lengthy period after their subscription expires. Secondly, The Journal, like any other business can operate only when finances make it worth while. Carrying delinquent subscribers means only that we are faced with expense and work that is not necessary.

Coleman needs a paper... that paper needs our support.

Needed... An Historical Society

Everyday some portion of Crow's Nest Pass History passes by most of it unnoticed. Every day older residents move away or are called by death while the wealth of information that they possess regarding the area goes without being recorded.

This is not a condition peculiar to Coleman alone, but to nearly every community in Canada. Some communities seem content to allow this condition to continue, while others are forming Historical Societies to protect and record the legends of their own area. Crebriook has already formed their association and launched their program.

The Journal has already contacted some individuals regarding the forming of an Historical Society and met with good results. We ask that readers drop in or write expressing their opinions.

BLAIRMORE — Over 50 parents gathered informally at a meeting in the Blairmore school to discuss conditions of overcrowding that have existed in the Blairmore schools during last year and for some time past.

A previous effort had been made to consult the Blairmore school board for the purpose of discussions relative to this situation, the thought apparently being that any plans formulated by the school board for alleviating this condition during the coming year could thus be made known to the parents.

Tuesday night's meeting revealed some criticism of the seemingly unco-operative attitude of the school board.

Wishing to learn whether any steps were being taken towards improving overcrowded conditions the meeting decided to send a petition to the local school inspector, J. McKay, in the hope he would attend a meeting of the parents and later take the matter up with the Blairmore school board.

Interest in the matter ran high when it became known that some of the teachers in Blairmore were seeking employment elsewhere, rather than face the return to overcrowded school rooms in September.

The meeting was held under the chairmanship of Arthur Williams and Frank Lamey was recording secretary.

Coleman Ravens Dump Chinooks In Jr. Playoffs

COLEMAN — Coleman Ravens upset the apparent here recently by taking a 1-0 lead in the southern junior playoffs over the defending provincial champions, — Pincher Creek Chinooks with a

15-11 triumph.

Rypien pitched the first three and one-third innings for the winners but Tymchyna finished off and gave up five runs in picking up the victory. Ed Rouleau started for Chinooks, but Larry Anderson came on in the fourth and Floyd Anderson in the seventh. Anderson was the loser.

Two wild pitches, three hits and four errors Pincher Creek error brought in eight in the 8th and two hits, three errors and three wild pitches accounted for six in the 8th.

Tymchyna hit two singles, a double and a triple in six trips for the winners and Zembiak tripled twice. Joe Ganske slammed three doubles for Chinooks

and Dick McDowall two singles. Chinooks romped to an easy 15-1 win in the exhibition game.

Burns \$ 12.00
Grand Total \$1241.85

This total is some \$500— short of the Quota, but despite of declining conditions of the 'Pass', it is some \$500— higher than the total of last year's donations.

The Lieutenant is very thankful for the co-operation and helpful hints he has received from all
